# OUR STORY

\*A Fresh Approach to export Fruits and Vegetables

Discover the Vibrant Flavors of Egypt

Egypt, a land renowned for its ancient history and rich culture also honors a prosperous agricultural sector. Our fertile lands and favorable climate produce a diverse range of fruit and vegetables that's famous for the taste, freshness, and nutritional value.

Egyptian crops are irrigated by the water of the Nile, the most virgin at all. Mixed with the sweat of history which is carrying with it the silt of sustenance

# VISION:

Different experiment.

By choosing Premium Egy, you're not just selecting a product; you're supporting a vibrant agricultural heritage and enjoying the taste of a truly unique culinary experience. Let us introduce you to the flavors of Egypt.

# Navel orange

## **Description: -**

Navel oranges are a type of sweet orange with a distinctive appearance and flavor. They are known for their round shape and a small, navel-like indentation at the blossom end, which gives them their name. The skin is thick, bright orange, and easy to peel. The flesh is juicy, sweet, and seedless, making them ideal for eating fresh.
